

Der Rand 116,5-120mm der bedruckbaren Oberfläche hat eine spezielle Beschichtung, die nicht zum Bedrucken geeignet ist.

UTSCH MEDIA_SERVICE

The diagram shows a top-down view of a CD or DVD disc. The disc is represented as a large orange circle with a white border. In the center, there is a smaller white circle representing the hole. Surrounding this hole is a light blue ring, which is the innermost part of the disc. The text is centered within the orange area, indicating the printable region.
